Profit Centers/Departments

Document #:	3001	**Product**:	CenterPoint®

Profit centers/Departments describe the various areas or divisions of your operation that generate income. It can also be used for department tracking. Profit center/Department detail is for analysis purposes, it does not affect tax information. When you look at the profit/loss of your operation for any given time span, profit centers/departments give you the power to pinpoint the status of each specific part of your operation.

A profit center/department is not assigned to an account, but instead the profit center/department can be assigned to each line of any transaction, using any account.
